

Features and benefits of partnering with The Access Project

These activities are all optional - you can select the opportunities you would like to participate in from your chosen package according to your organisation's needs.

All our partnerships are multi-year, starting at three years.

We will tailor our frequency of review meetings dependent on the partnership level.

Entry level partnership (£10,000)

- Train employees to be online volunteer tutors
- Share annual reporting on employee volunteer hours
- Recognise your support on our website.

Mid level partnership (£25,000)

- Support a cohort of 20 students on our programme
- Deliver two online or in-person group volunteering career events for our students
- Train employees to support students on A level results day
- Support your employee fundraising events
- Support any existing outreach events you run
- Engage your employees on our university trips
- Promote our partnership through our website and social media communications
- Receive bi-annual reports featuring news from us and volunteer data
- Announce our partnership
- Train employees to be online volunteer tutors
- Share annual reporting on employee volunteer hours
- Use your logo on our website.

High value partnership (£50,000)

- Support a cohort of 40 students on our programme
- Participate in face-to-face tutoring if desired (subject to time of year and school agreement)
- Deliver four online or in-person group volunteering career events for our students
- Train employees to support students on A level results day
- Support your employee fundraising events
- Promote paid internships to our students
- Engage employees with our societies events
- Support any existing outreach events you run
- Engage your employees on our university trips
- Participate as a member of our Business Advisory Group
- Undertake an annual school visit
- Promote our partnership through our website and social media communications
- Receive quarterly reports featuring news from us and volunteer data
- Announce our partnership
- Train employees to be online volunteer tutors
- Share annual reporting on employee volunteer hours
- Use your logo on our website.
